

TOTAL SEC OY PRESS RELEASE

20.06.2018

Total Sec Oy is new Scanna distributor in Finland.

Scanna MSC has today announced new distribution partnership with Total Sec Oy. The agreement involves the exclusive distribution of the Scanna products brand in Finland. Scanna designs and manufactures Portable Security X-ray systems and Mailroom X-ray Screening and Detection Equipment for the Defence, Security and Industrial sectors. Scanna has been manufacturing in UK for over 30 years and also has operations in the USA. Scanna offers on-site training and support wherever our clients have a presence around the globe.

“Having a partnership with Total Sec Oy will increase the Scanna MSC market presence in Finland by sharing and delivering highly efficient defence & security industry expertise. Scanna has a range of portable x-ray and mail screening systems that it is keen to introduce into Finland.” Paul Taylor, Sales and Marketing Director Scanna MSC

Distribution of Scanna products will strengthen Total Sec Oy status as a supplier for Finnish authorities.

“Total Sec is proud of its appointment as Scanna partner in Finland. The Finnish authorities and the local security market have an increasing demand for high quality products. We are confident that excellent Scanna -products will be of great benefit to our governmental and civilian end users.” Miko Linnavirta, Senior Partner of Total Sec Oy said.
