

## Total Sec Oy is LEMAX Distributor in Finland

LEMAY s.r.o. has today announced partnership with Total Sec Oy. LEMAY is manufacturer of most powerful handheld searchlights. LEMAY s.r.o. is a Czech company established in 2004 dealing with the development and production of special equipment. LEMAY primary products are HID searchlights for extreme conditions. Ruggedized, lightweight, powerful and best battery run time in its class have made our HID searchlights the product of choice for many applications. LEMAY distributes its products to more than 20 countries worldwide

“Having partnership with Total Sec Oy will increase LEMAY market presence in Nordic countries. LEMAY searchlights are perfect for harsh nordic environment.” Petr Kralik, General Manager LEMAY s.r.o.

**Distribution of LEMAY search lights will strengthen Total Sec Oy status as supplier for Finnish authorities.**

“The Finnish authorities and organization have an increasing demand on product that will enhance operational capability in low light conditions. We are confident that excellent LEMAY search lights will be of great benefit to our governmental and civilian customers” Miko Linnavirta, Deputy CEO of Total Sec Oy said.
