

## Total Sec Oy is now OPSWAT partner in Finland

OPSWAT Inc. has today announced partnership with Total Sec Oy. Starting for today Total Sec Oy is OPSWAT authorized reseller in Finland.

OPSWAT is trusted by over 1000 organizations worldwide. OPSWAT mission statement is to eliminate malware and zero-day attacks.

OPSWAT products focus on threat prevention and process creation for secure data transfer and safe device access. The result is productive systems that minimize risk of compromise. That's why for example NATO, CIA, DISA and 98% of U.S. nuclear power facilities trust OPSWAT for cybersecurity and compliance.

# OPSWAT.

**Distribution of OPSWAT products will strengthen Total Sec Oy status as supplier for Finnish authorities.**

"Total Sec Oy is proud of its appointment as OPSWAT partner in Finland. Modern day brings modern threats. We believe that The Finnish authorities and organization have an increasing demand on highest class cyber security. We are confident that excellent OPSWAT products will be of great benefit to our governmental and civilian customers" Miko Linnavirta, Deputy CEO of Total Sec Oy said.
